

## CALL FOR PAPERS

The Spanish Association of International Economics and Finance (AEEFI) and the Faculty of Economics and Business of the University of Murcia are organizing the **22nd Conference on International Economics/Jornadas de Economía Internacional**, which will take place at Murcia, on **June 17th and 18th, 2021** and also through online access.

The congress will have a *hybrid format* with in-person sessions that can also be accessed remotely through the Zoom platform for those prevented from travelling by COVID-19 (or any other cause). Registration will have differentiated fees for both types of participants.

The University of Murcia has [strict protocols against COVID-19](#) to guarantee the holding of this congress in a responsible manner.

All authors who participate in the conference will have the opportunity to submit the papers presented to be considered for publication in the **Special Issue of the journal Economics-The Open Access Open-Assessment E-Journal**.

### Topics:

International Trade, International Capital Movements, International Finance, Open Economy Macroeconomics, Migration Flows, International Flows of Services, Trade and Firm Behaviour, Trade Policies and Economic Integration, Labour Market and Trade and Financial Flows.
