

The Spanish Association of International Economics and Finance (AEEFI) and the Faculty of Economics and Business at the University of Málaga are organizing the XXIII Conference on International Economics (Jornadas de Economía Internacional), which will take place in Málaga, on June 16th and 17th 2022. The AEEFI will grant a **Young Researcher Award** to the best paper presented at the Conference. All authors who participate in the conference will have the opportunity to submit their papers to the following journals:

### [The World Economy](#)

A special issue of selected high quality papers from the conference will be published under the guest editorship of Rebeca Jiménez-Rodríguez and María Asunción Prats.

### [Economic Modelling](#)

The conference organizers, in liaison with the editors of Economic Modelling, will invite the authors of selected high quality papers that fall within the general remit of the journal, to submit their manuscript to the journal. The editors will ensure that the selected papers undergo the normal reviewing process on a fast-track basis. All papers will be double-blind refereed in the standard way. Authors should submit their paper via the journal's website, for consideration for publication in a regular issue of the journal.
